

SPA & ACTIVITIES SCHEDULER

Innovative Technology for the Hospitality Industry

The Spa & Activities Scheduler module is an integrated scheduling and billing application developed to **manage any spa, group tour, golf reservation, transportation service** or other hotel service or activity.

The system is designed to link guests' activities, appointments, and other special requests on the guest's record.

FEATURES

General

- ◆ Seamlessly integrates with Property Management module for billing.
- ◆ Automatic email confirmations, itineraries, and reminders for scheduled activities.

Operations

- ◆ Scheduling by treatment type, service provider, time, facility use, or guest.
- ◆ Staff or provider scheduler allows for breaks and lunches for efficient operation and flexibility.
- ◆ Activities can be incorporated as part of a package or can be billed stand alone.
- ◆ Also available to non-hotel guests.
